

growth groups the great connection

"Confess your trespasses to one another, and pray for one another, that you may be healed." James 5:16

Growth Groups are groups of people connected by age, life stage, and interest doing life together. Womens, Singles, Seniors, Couples, and any other interest groups you can think of are represented and placed together to share life's best moments with one another and to minister to people of every walk of life. This team embodies The Great Connection. Life is not to be lived alone but rather to be shared in "accountability and encouragement," as James puts it.

Connecting in a deeper relationship with Christ and others fulfills The Great Connection. The following groups are available for you to help host or lead:

GROWTH GROUP LIFESTAGES:

Women
Men
Singles
Young Adults
